Dear Credit Union Advocate,

Our lawmakers can have a big impact on the future of our industry, your credit union and your career. NAFCU/PAC ensures that we are united on the issues that matter most to us. This is why I am asking you to support NAFCU/PAC through the “I ♥ My Match” payroll deduction program. It is one of the easiest ways to support our industry and help credit unions have a voice in the political process.

The “I ♥ My Match” payroll deduction program allows us to build NAFCU/PAC, which is a key advocacy goal for us, and donate money to a very deserving charity, which the credit union industry supports. A great win-win situation!

Together we can continue our education efforts with candidates and members of Congress on important issues facing the credit union industry and make a difference in the lives of children who need it the most through the Children’s Miracle Network.

Participation is necessary to have a powerful voice in our powerful industry. I hope you will consider participating in this great program.

Sincerely,

B. Dan Berger

FREQUENTLY ASKED QUESTIONS

What is NAFCU/PAC?

Founded in 1976, NAFCU/PAC is NAFCU's Political Action Committee. The goal of NAFCU/PAC is to help credit unions have a united voice in the political process. NAFCU/PAC raises voluntary funds from executives, volunteers and staff of NAFCU member credit unions for use as campaign contributions to candidates and members of Congress. NAFCU/PAC is a major component of NAFCU's advocacy efforts on Capitol Hill.

Why should I support NAFCU/PAC?

NAFCU/PAC is the political arm of NAFCU. Your contributions are used to help support and elect candidates and members of Congress who understand the important work that credit unions do.

Who does NAFCU/PAC support?

NAFCU/PAC is completely independent and bipartisan. We support candidates whose issues are aligned with credit unions. We do not get involved in the presidential campaigns, we focus instead on federal lawmakers on Capitol Hill.

Does my contribution matter?

Yes. Together we can build a strong PAC that supports the needs of the credit union industry. Your participation in NAFCU/PAC is a critical part of achieving our advocacy goals.

Can our members participate in the "I ♥ My Match" payroll deduction program or is it just for credit union staff?

The "I ♥ My Match" payroll deduction program is currently only for employees of NAFCU member credit unions. Your members can still participate with NAFCU/PAC and the Children's Miracle Network through separate programs sponsored by your credit union. Contact NAFCU's Political Affairs staff for great ideas!

Can our employees write off the charitable contribution made in their name?

No. Due to Federal Election Commission (FEC) regulations, NAFCU and/or NAFCU members contributing to NAFCU/PAC are prohibited from benefiting from these contributions.

Is there a limit of how much a person can contribute a year?

Yes. Current FEC regulations allow an individual to contribute up to \$5,000 per calendar year to a trade association's Political Action Committee.
